Dear Parents,

Your child is learning a Mandarin song right now to help our church celebrate the upcoming Chinese New Year. It can be an event to reach out to family and friends. Through singing the song, the children are learning that one of the ways to share the love of Jesus is through communication, and that language plays an important role in this communication. Sometimes by learning a bit of a language that is not our first language we are saying that we want to learn to communicate better.

Enclosed is the song sheet of this Mandarin song translated from a very well-known traditional English song. The bolded print is the Chinese phonetic symbols. The tones are left out since the children will only be singing the song. If you're able to assist your child at home in learning the song, we welcome you to do so. Otherwise, do come and cheer for your child on Sunday, Feb. 18 at around 12:30 PM. They will be singing right after lunch and before all the fun activities begin.

We thank you for your continuous support!
